

Signature Wellness Program

FM3P 360 RENEWAL protocol

Biochemical Transformation

Whole Composition Integrative Approach (Spirit, Mind, Body)
120 day transformational protocol Renewal Program Process

This is a unique health and wellness protocol that encompasses the Functional Medicine Matrix Model approach coupled with a customized 3 phase protocol to rebalance and restore homeostasis to root causes of health issues. Let us help you returning to feeling your best. Complementary 15 day trail and initial consultation.

The Functional Medicine model is an individualized, client-centered, science-based approach that empowers clients and practitioners to work together to address the underlying causes of disease and promote optimal wellness. It requires a detailed understanding of each client's genetic, biochemical, and lifestyle factors and leverages that data to direct personalized treatment plans that lead to improved client outcomes.

The Program

Functional Medicine Assessment Model
(Customized Report/Analysis)
